FUN SUMMER SONG

5 Little Bubbles

5 Little bubbles, floating to the floor,
One bubble popped (kids clap hands as you say POPPED)
and then there were 4

4 little bubbles, round as can be
One bubble popped and then there were 3

3 little bubbles, were flying just to you
one bubble popped and then there were 2

2 little bubbles, were having so much fun,
One bubble popped, and then there was 1

1 little bubble, round as the sun
Until that bubble popped, and now there are none!
